CHANGING CLIMATE, CHANGING LIVES FILM FESTIVAL 2020

**A short film competition that support
Thai communities by encouraging them to share their
experiences of climate change impact and showcase
Thai people's efforts to unite and make positive change.**

**Winning films will be premiered
at our festival and award ceremony.**

**21st - 22nd November 2020
Bangkok Art and Cultural Centre
(BACC)**

SHORT FILM COMPETITION

GENERAL

Anyone with little
to no experience
in the film industry

PROFESSIONAL

Professional
filmmakers,
storytellers,
videographers

**The competition is split into 2 categories
Professional Category and General Category.**

**We accept ALL film genres, whether it is a documentary, comedy,
drama, action or even animation.**

The short films can be anywhere from 2 to 10 minutes long.

WHAT CAN THE FILMS BE ABOUT?

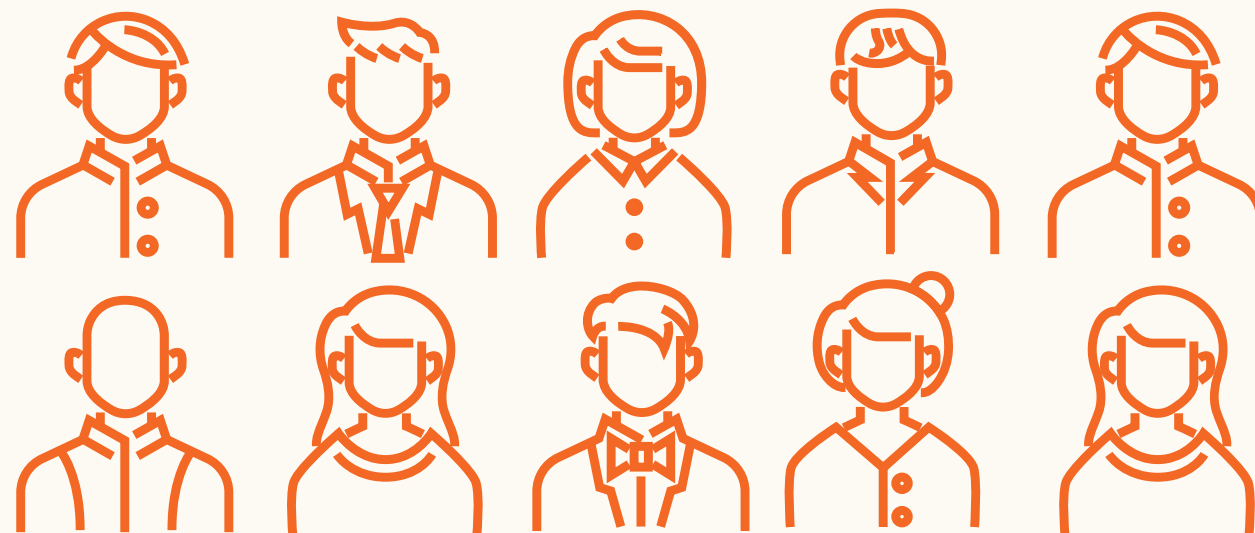

Stories about impacted communities, people, businesses that are taking innovative and proactive actions to fight climate change.

Examples : beach clean-up, coral restoration, eco-camp, wild life preservation, water or forest conservation, disaster prevention, renewable energy, climate-proof transport/housing, climate-resilient farming, sustainable fishing, green business, community mitigation or adaptation measures, etc.

FILMMAKING GRANTS

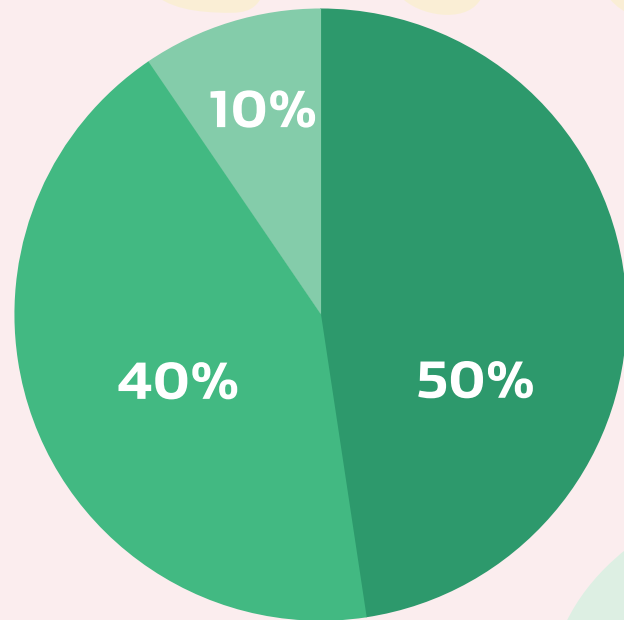

To further support candidates with potential to produce quality films that talks about the mitigation and adaptation of climate change, we ask people to send in their short film proposals.

We received 201 applications in total.

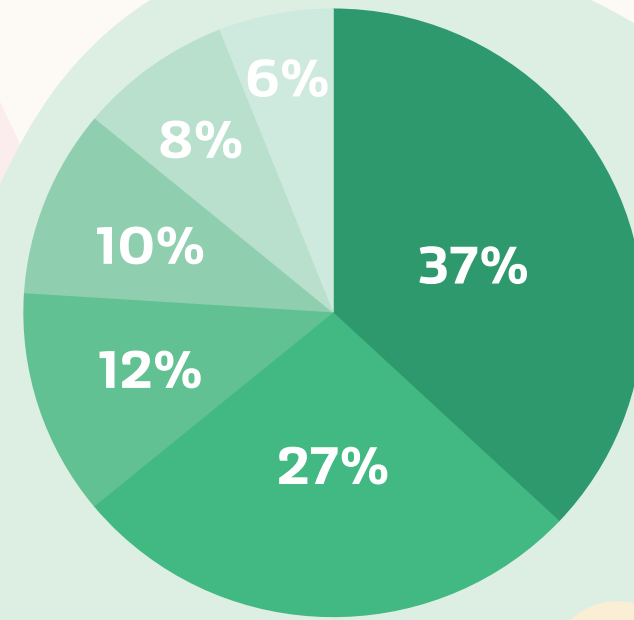

We offered 25,000THB to 10 best proposals
